

COOPER'S EDGE

5.7 MILES DOWNWIND

FROM PROPOSED

HUGE WASTE INCINERATOR

Join us for a:

Free Public Presentation

on Thursday 28th June 2012

at Community Room, Typhoon Way, Cooper's Edge,
Brockworth, GL3 4DY

from 7:30 p.m. to 9:00 p.m.

(doors open at 7.15 p.m. for tea and coffee)

to hear:

- The latest information, e.g. the Health Protection Agency are investigating new data suggesting high rates of infant mortality in areas downwind from waste disposal plants,
- How waste incineration (waste technology with the highest CO₂ emissions, toxic fly ash etc.) affects health, wealth and the environment,
- **The environmentally friendly, cost effective, non-toxic alternatives to ask Gloucestershire County Council to use.**

Organised by independent groups campaigning against waste incineration:

GlosVAIN (Gloucestershire Vale against Incineration, www.glosVAIN.info)

GlosAIN (Gloucestershire against Incinerators, www.glosAIN.org.uk)
